One of the most luxurious hotel in Muscat

I believe this is a must to stay when you are visiting Oman, yet it's quite expensive but the hotel is well maintained, and the facilities are a lot to do. I must highlight the food and beverage team and Shwe the guest relations manager who was extremely brilliant in attending our needs and ensuring that we are

Food & Beverage - RP

I'm giving a 4 star as I like the concept and ambiance however if I factor in the service I'll be giving a 2 star. Only one staff by the name of Murni upstairs at cigar lounge and she was also running the bar. Good selection of cigar however no menu? When ask for Cigar menu I was told no menu and have to walk in to the Cigar room to see and

Historical informations.....
The building itself is a historical building, beautiful sights and clean. But the only issue is the place is not covered by sufficient aircond. During an event, we have to use few fan's and air cooler. Even our guests stated to sweat and started to surround the aircond. Other than that the place is a wonderful historical and educational building

Lakeside Serenity in Taiwan
My journey trying out best hotels around Taiwan continues at Sun Moon Lake here. Found the hotel thru lots of browsing during my free time, and here's The Lalu (the name which might be a stranger to locals here since they go by a different Chinese name). The hotel itself was designed by a renowned architect, Kerry Hill (may he rest in peace).. if
